**Area Agency on Aging Seeks Three Advisory Council Members**

The Ventura County Area Agency on Aging (VCAAA) is seeking applications from individuals interested in serving on its Advisory Council. The purpose of the Advisory Council is to recommend the direction of programs and services for older adults, people with disabilities and caregivers in Ventura County. New appointments are now being considered for terms beginning July 1, 2021.

Three seats are available. One (1) of the vacancies is for a person with disabilities to represent the interests of the people with disabilities, one (1) person to represent the interests of lesbian, gay, bisexual, transgendered and questioning (LGBTQ) seniors, and one (1) person to represent the interest of family caregivers. Staff of organizations that are affiliated with these groups are eligible to apply but preference will be given to people over the age of sixty in the event that there are multiple applicants for a seat. Applications must be received by April 29, 2021. To apply, call the office of the VCAAA at (805) 477-7300, go to our website at [www.vcaaa.org](http://www.vcaaa.org) or email [PIO.VCAAA@ventura.org](mailto:PIO.VCAAA@ventura.org) for the application.

By law the Advisory Council is required to have a majority of its membership 60 years of age or older and reflect the economic, geographic and ethnic composition of the County. Older adults and minority representatives are strongly encouraged to apply. The Advisory Council meets once a month six (6) times a year.
